*One of my Favorite Aunts!! Aunt Edith and Aunt Georgia, both Bauers, were the only relatives that were NOT suddenly afraid of me when I became a T1D (then known as a juevenile diabetic). I was still allowed to spend the night, or several, and allowed to be a normal kid, after our chores were done!! haha Nothing but fond memories. Thank You ALL; Vivian, Debbie, Cindy, Greg, Roberta, Martina, MaryAnn and Julie, for sharing your wonderful Mom with me!*

*Kind woman and great mother. I remember Mrs.Bauer, as i always called her, was a patient caring woman. I learned to dance in her basement - ha! But before that, I "tried" to spend the night at her house with Roberta three times, after my father had passed away. On those three occasions, I got worried, homesick and had to go home. Mrs.Bauer was understanding and loving - and she ensured her family understood too. I remember how wonderful it was, how happy I felt, when I finally managed to stay the whole night. It was the first time I'd stayed all night anywhere, except my room at home. Sounds silly, but that night changed me in a positive way. RIP Mrs.Bauer. Say "hi" to my folks.*

*EDITH was one of the first volunteers I met in my 4-H career. Her love of learning and helping young people and other volunteers was a positive force. I learned a lot about the possibilities and opportunities locally to globally from Edith. So enjoyed working with her family. Please take comfort in the legacy she leaves with her family and everyone whose life she and they have touched.*
