“ Bernice was a strong faithful woman. My condolences to all of you. There’s a time for everything but it’s always hard to lose your Mom.

“ Aunt Bernice was an amazing person. Everyone that was with her felt a special connection. Your favorite cookies (oatmeal) or favorite meals were always part of her hospitality. She felt like a second Mom on the many summers that we spent in St Clement...i am sure that was the way many felt her love was a constant with everyone. I loved her smiling and her playful style as she was advising or guiding the family. Aunt Bernice will certainly be missed but I am so very happy that she is with Uncle Charlie, Jone and Danny. I keep thinking of how great that reunion must be. Love to all and very sorry that I was unable to be there today.

“ There are so many beautiful memories of Aunt Bernice and your family. She was a very special lady. Certainly a blessing to us all. I especially remember the looks and expressions on her face when talking to us. She truly cared and payed attention when we talked. Praying for you and all your family! I know she is in a much better place and enjoying the reunion with those who have gone before her. Wish I could be with you today, but the roads are not so good here. You are all definitely in my prayers! Blessings!

“ Think of many times at the house over the years. Cookies almost always available I will at the funeral in spirit. May the angels lead her into paradise, may the Saints come out and welcome her, and guide her to the Holy City, the new and eternal Jerusalem. May she be dancing with Charlie in Heaven. “ As kids we spent quite a few afternoons playing with the Schuckenbrock family. I can still see Bernice smiling patiently amid all the hectic activity of many children. She was always pleasant. When I last visited her in the Nursing Home several years ago, she still had that smile on her face. Now she will be smiling down on all the family and old friends. She was a treasure and a true blessing. Dorothy Twellman
