

## Andrew "Andy" Marcus Fleming

June 9, 1992 - April 30, 2019

Andrew (Andy) Marcus Fleming, age 26 of Polo, MO formerly of Silex, passed away Tuesday, April 30, 2019.

A Life Celebration will be held at 3:00pm on Saturday, May 4, 2019 at the Millwood Knights of Columbus Hall. Visitation will be held from 11:00am until time of services.

Andy was born June 9, 1992 in Chesterfield, MO, the son of Mark Joseph and Susan Lynn Kimbrel Fleming.

Survivors include parents Mark and Susan Fleming of Silex; siblings Ashley Fleming of O'Fallon, IL, Nicholas Fleming of O'Fallon, IL, Austin Fleming of Silex and Natalie Fleming of Silex; maternal grandparents Dale Kimbrel Sr. of Silex and Gloria Jean Almendarez (Jesse) of Troy; fraternal grandparents John and Connie Fleming; many aunts, uncles and cousins.

He was preceded in death by his Aunt Janice Mudd.

Andy grew up in Silex and graduated from Silex High School in 2010. While in high school, Andy participated in basketball and baseball for the Owls. Upon graduation Andy attended the University of Missouri where he earned a Bachelors Degree in Ag Business in 2014. He was a member of the Alpha Gamma Rho fraternity. Prior to graduation Andy had secured a job with AgReliant as an AgriGold field rep serving five counties in western Missouri, so upon graduation he moved to Polo, MO to start his professional career. Andy's smile and great attitude towards life helped the townspeople of Polo embrace Andy as one of their own.

Andy loved growing up on the family farm in Silex. He was proud every chance that he could to bring back meat from the farm that his family raised and grill it for his friends in Polo. He enjoyed playing cards, sitting around the fire pit listening to George Jones and older country music. He was an avid hunter and fisher. He loved being outdoors and hunted just about anything you could think of. He was a member of St. Alphonsus Catholic Church in Millwood where he received the sacraments of the church. Most of all Andy loved spending time with his family and friends.

Andy's smile and laughter will be missed by all that knew him.

“ Dear Mark and Susan,  
Your family has been heavy on my mind and I just want you to know that you will remain in my thoughts and prayers. I remember Andy when he was just a little tot, when Susan would come to the dry cleaner's. He was so cute and always dressed darling. Your children could not have been blessed with better parents. “ Our condolences to the Fleming family. I always struggle with the right words and at this time there simply might not be any words that are enough, however, you need to know that Andy will be missed very much here in Polo. I especially will miss seeing him make people laugh. He always made me laugh and smile no matter what our conversation was about. I even laughed when he and Logan almost knocked me out of his window moving his new gun safe into the house, mainly because he was laughing hysterically and couldn't stop himself. He is a great son, brother, and friend that we will all see again in a place where we can laugh for all of eternity. Kyle, Becky, Tommy, and Dallas Ross

Someone so special in your life can never be forgotten. In these moments of loss, words are useless. God rest his soul in peace and the angels to always be there with you. I cannot begin to think how hard this is on you but may God rest with you and help you through this difficult time. “ *I remember many years spending July 4th celebrations at Grammy's/ my mother's house. Everyone brought sweets, we sat in blankets to watch the beautiful fireworks, and all the kids played. They had no idea what friendships were being built. It all started with me teaching swim lessons to all 5 Fleming kids. They were such pleasant, kind, and great workers in learning to swim.*

“ Andy, I just do not know where to begin. You were such a pleasure to have in class! I loved walking into American History, Personal Finance or Government and see you sitting in your chair with a sparkle in your eye. You always had a smile, and I just knew you were going to try to talk me out of giving an assignment. Though you were rarely successful (if ever), I appreciated your tenacity. Your smile could light up a room, and it went all the way up to your eyes. You were the most genuine person I knew, and I do not know of anyone who did not feel the same. I have so many moments that I remember with you from hearing you play video games "Oh my gosh! I got run over by a tank!", getting crazy cats from your house, getting rabbits from Matt (you just had to share the male rabbit's name with me), to you and Jenna skipping out of statistics and coming to bug me in my class. As annoyed as I tried to appear, oftentimes, those days were the highlight of Sociology and Psychology class. My heart is just so incredibly broken. I truly believe that earth lost a wonderful soul!  
Love, Ms. Niffen
