“ *Debbie and Family, didn't know you were living in Bowling Green. Thought you were still at Silex. So sorry and shocked to hear of Tony's loss. Always thought a lot of you two and your family and miss you as our old neighbors.*

“ *My dearest Uncle Tony ( he would kill me for saying that). I am at such a loss, as is the rest of the family. You were always there for us and I am simply devastated. Your rough exterior belied your beautiful soul. You put on a good show but you did everything for everybody at any time. You were one of my best friends and I will never forget you.*

*To my beautiful Aunt Debbie, Griff, Christina and Junior... I just don't know what to say I am so sorry for your loss. How blessed we all were which I guess makes it so much harder. I love you all and stand with you!*

*I speak for my entire part of the family when I say "we are but a phone call away". You never have to worry about that.*

*We love you all*

*Sincerely,*

“ Anytime there was an issue with the house I would call my dad and his answer was always "call Tony". Tony always came with a smile and fixed whatever was wrong no matter how far away he was and never once took a payment from us. He was the guy who would do anything for anyone at anytime, that was just him. He may not have actually been family but he's been one of my dad's best friends since they were young and my entire life and he will always be remembered as family to us. I'm thankful to have had the morning/afternoon with him at the lake this Mother's Day at the car show waiting for awards for my dad's car. We will forever hold him in our hearts! My love & prayers are for Debbie, Griff, Christina, Junior and the other family and friends. I pray God covers everyone with the peace they need to get through this time.

“ Tony was and will always be my friend. I loved him like a brother and will miss our times together. He loved Deb and his entire family. He loved to laugh and tease. My heart is broken today, but, I will see you when God calls me home. Thanks for all the memories on this side of Glory Tony.

*If tears were words this page would be overflowing. For 39 years I've been teased and laughed with. Tony always knew how to embarrass me and he loved it. How I loved this brother. Family get togethers will never be the same. One thing I read was that when someone passes away we become their memories. We continue on and tell their story. We each have our memories of Tony and through sharing them we begin to weave a book of his life. Debbie....I love you babygirl. You and Tony were made for each other. Just remember I'm a phone call away. Griff I know you will carry on and pass on his love forbcars to Junior. Know that we are holding you and Christina and Junior up in prayers. Love you all...Aunt Brenda (Sissy)*
