“ Some things I learned about Buck....Proud to be a veteran. Proudly married to his compassionate wife. Fought for his life till the very end. Loved family, hard working even through illness, loved attending family sports events. Selfless and proud to serve. Going to miss him dearly but just to know I will see him on "the other side" completely renewed is a great feeling.

“ *Buck was one of the finest men I know, He loved and supported his family in everything they did, He was a hard worker He worked in the church as a Deacon and in other ways. I guess the best thing about Buck is he was a Christian, he loved the lord with all his heart. As Billy Graham said " the last breath he took here on earth would be his was his first breath in Heaven."*

“ Our gentle giant of a man. Buck was one of the nicest and caring gentlemen we have ever had the pleasure of knowing. Although we have only known him for 7 years it is easy to see this was the nature of his spirit. When he entered Heaven's door I know for great certainty our Lord said, "well done, my good and faithful servant". Willa, our hearts go out to you and your family, but I hope you can take comfort in knowing he was welcomed with outstretched arms. Neighbors and friends, Pete and Jack Fountain
