“ *Best aunt I could ever ask for. She took me snorkeling, offered her Bahamas home for my honeymoon, talked me down from a 30' tree when I was 5. Just way to many great things to mention here. Salt of the Earth. I miss her horribly already. Love you aunt Bardi.*

It's been almost four years. I was in shock that you were able to keep such a secret from your childhood friends. I am so glad that you had a wonderful life, Barbara, after such a rough beginning. I am sad that Charlotte and I never got to make to that get together that the three of us promised each other. What a loss of us. Rest in people. My memories are so wonderful of the good times!
