“ *There just aren't words to express how very sorry I am for your loss. I have fond memories of Bonnie visiting with Grandma in our kitchen when I was little. She always was sharing tomatoes or zucchini, or whatever her garden produced. (My favorite zucchini casserole recipe came from her.) She was a beautiful, kind, generous woman who will always hold a special place in my memories and my heart.*

“ *So sorry to hear about Bonnies passing. She was so nice and treated us like she had known us forever and we were just straggers when we met her in Sept 2016..in the little tim e we knew here you could tell it was just her character... one very found memory was dropping by the house and she wasn't about to let you leave empty handed either tomatoes in the summer, bottle of wine around the holidays or even my last visit was a sandwich... it was like I was visiting my own grandmother so sweet and kind.....just to everyone in her family we have very heavy hearts for all of you.*
