“ My thoughts & prayers go out to family & friends. She is a cousin didn't get to see her often. Just if we had a family reunion. But unfortunately it has been several years since I have seen her. She was always such a sweet lady. She will be sadly missed! RIP sweet cousin

“ Sue was the first person, Jack and I met from Silex School. She called us to tell us where she would pick up Grace and Kim for school & what time to get the bus to school. She was our special angel since we were new to Lincoln County. We loved having our own “angel” watch over the girls!
