“ *Among the many fond memories of my tenure with Stark Bro's is the day that Billy patiently tried to teach me how to bud a tree. Much like my singing ability, I was terrible, yet insisted on pressing on. This fine young man never lost his patience nor composure - a trait he inherited from his Dad - and for which I will forever be grateful. I trust his pain is gone, that he is in a better place and that he might run into my Dad...he will like him. Godspeed to all the Kidds...*
