“ *What can we say about such an amazing man. We really did not know him well before Christ in his life, but can testify to the amazing power of God to transform ones life- Bob and his great wife Hazel were such great examples of people with servant hearts to serve Christ and others, not only that, we had a lot of great times together. We look forward to seeing them again and partying with them at that great reunion in Heaven. 😊*
May the power of God continue to transform your lives and may His grace, mercy and peace be with you all, Love John and Cathy Veach

“ Dear Tammy & family and Melodie and Family

I was so sad to learn of your fathers passing. He was such a wonderful man and such a great husband, father and grandfather. He was always so happy and so much fun.

He enjoyed life and those around him.

We have such wonderful memories of the times we shared with your mother and him

our visits from St, Louis, their visits to St. Louis. We were cousins through Marriage,

but friend in our hearts. My mother absolutely loved Bob, he was so good to her

and helped her out many times in St. Louis, painting her house, helping redo furniture.

I know you will all miss him so much, but he will always be in your hearts and you

will always have those wonderful memories of him. He is now in heaven with

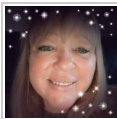

your Mom and brother and watching over all of you.

Love you
