“ Mrs. Schindler is still my favorite teacher. She taught me what it looks like to really love EVERY kid, and we all felt it every day. What an incredible gift to give a child. I told so many stories about her in my education classes in college because she was just that great. My prayers go to all of her family. Thank you for sharing this beautiful woman with all of her students!

“ Bonnie was a great teacher and such a trooper for the pet industry. She was always so kind and willing to help others in anyway that she could. I last saw her at a restaurant in Columbia and we talked for quite awhile about her health and the pet industry which was one of her passions in life.
