“ *Brandon was one of those people that shared God's love with his brilliant smile. He had a loving spirit and you always felt loved when he would enter the room. His soul is definitely in God's hands today. May we always feel the warmth of his tender love now and forever. We will see you there when God calls each and every one of us Home. Until then...*

It saddens me that B was taken from this earth much too early. He was a good man with a great heart, as I spent many working days laughing with him. Condolences to his family and friends, may you find the strength needed during this difficult time.
