“ Brenda and I have been friends since we started first grade together. Our friendship grew as we married and had children in school together. Art, Brenda, Tom, and I had many good times together as well as sharing the bad times. They were here for us when we lost our son and I lost my brothers. They were a team, friends as well as helpmates, and soul mates. I will miss my friend as will her family and everyone who knew her. Rest in peace as God has another angel in heaven.
