“ *Buddy and I go back a long way. We played softball and basketball against each other for many a year. Last time we played softball was some kind of tournament and both our teams got together to get in it. We were pro both in our early 40's. He pitched and threw that sky ball on the outside if the plate and I whiffed. Oh how he laughed about that. The last time up I hit it over the center field fence and we were even. Yea I knew Buddy well and I hate this. I worked with him and Dinah. Gonna be missed*

“ I am Buddy Wayne's cousin who lives in North Carolina. My mom was his dad's sister. We spend many a summer with him and his family on their farm. When my Dad died we would take mom back to Bowling Green to visit our relatives. We also look forward to visiting with Buddy Wayne on his farm. My Dad and brother loved farming and could talk to Buddy Wayne for hours about his crops, tractors and farm machinery. He loved farming and the great outdoors. We will miss his great smile and great soul. God give comfort to his wonder family.
