“ *Butch was married to Kim Marie house for 20 years. together they had two children Samuel Boyer and Margaret Boyer. I Kim in the mother of those two children not Becky. As the obituary leads you to believe. even though Butch and I were divorced after 20 years of marriage we were married happily. I would not change anything in our marriage whatsoever. I spoke to butcher a few months ago and him and I were good. The rest of you need to let it be. I was his first love and I will always be his first love. Just because it didn't work with us was not an excuse to leave me omitted from the obituary. It was a disrespect to my two children and my two grandchildren and a Butch.*
