“ I grew up on the same street as Chuck in O'Fallon. His Dad used to make us run pass patterns in the front yard and throw us the football. We were all just kids on the block running up and down the street. I will always remember Chuck that way full of energy. With a spirit of adventure. Thanks for your service to the Nation Chuck. In my heart you will always be one of the kids on the block with the rest of us. I know you had faith in God. I will see you on the other side on that heavenly block. My thoughts are with your family at this time and prayers.
