“ *I worked with Eddie as the customer service rep for one of his vendors in NC for MVE, and he was my absolute favorite customer. I left that job a month ago and as soon as my notice was in he was the first person I told. I told him I would still call to check in on him to see how things were going...just last last week I made that check in call and heard he wasn't doing so well. My heart is shattered and I pray for peace for all of you at the loss of a great man!*

I remember Eddie from high school. He was such a sweet guy. I don't remember a time I saw him that Paul Wayne wasn't by his side. I am so sorry about his passing. I've no doubt he has already earned his wings. God Bless.....Dana Portwood

Cindy and Family: I was so sorry to hear about Eddie and I am sad for all of you that lost a father, grandfather, husband, son and friend. I admired him so much and the strength he showed in his battle against Cancer. All of us that walk in that same journey, he gave us an example to follow. May all of you have comfort in knowing that he is resting in the peace of God and he has become a prayer warrior for all those that he loved and holds dear in his heart. Memories of his love for each of you will never go away. Hold on to those memories. God bless each of you. Ansel Niemeyer

I worked with Eddie on many projects over the last five years and learned to appreciate his unique personality and subtle sense of humor. He was a good man - he will be missed.
