“ It won't be the at the police department with out her. Because of Cheryl I got back into quilting. I'm going to miss talking to her about all of our quilting projects and getting advice from her on how to do it. Peace be with you and your family. ~ Kenda

“ I have so many memories of Cheryl, and how much her family meant to her. She was always there when we needed her, and I know how happy she made my Dad. She and Jack were together for most of my children's lives and she always treated them like they were hers. Because they were.

She loved the Cardinals like no one I've ever known, and I was envious of her talent in so many areas. Her sugar cookies were the very best I've ever eaten and I am honored that she gave me the recipe. Her quilting, beadwork, stain glass, and knitting. She tried to teach me how to knit a couple times and we both decided it was a hopeless cause 😞. I was all thumbs. I promise I will make the cookies and make you proud. And I will make Jack eat the mistakes just like you did ❤️. We love you. And we will miss you. We will make sure Jack is ok. Don't worry about that.

May the peace of God be with you and I hope you and your sister are having a great time up there. LOVE , BECKY 🍷💋

I worked with Cheryl for 9 years at Bowling Green Police Department. There are to many good memories. My favorite is when she found out how much I liked her cheese dish. She would save me some.

Cheryl, you will dearly be missed.

Cheryl and I worked together for many years at Walmart and remained good friends. Several years ago we took a trip together up through Iowa visiting all of the covered bridges and every quilt shop. R.I.P. Cheryl, you will be missed. My condolences to the family.

I just found out that Cheryl had passed away. I have very fond memories of Cheryl and her family. Cheryl had so many talents and she made them all look so easy. My thoughts and prayers are with her family. Had I known sooner I would have been there.
