“ I worked with Cindy at FCI Cumberland. During her time here we became good friends. I'll miss my friend dearly. One time she had an egg thief in her kitchen, so after she got off work we discussed this elaborate plan to catch the egg thief. Unbeknownst to us, the intercom was acting funny that day, so the whole inmate population heard us talking. Slightly embarrassing, but funny as he'll. I know you had a lot of medical issues Cindy, and you haven't been at work for months, so rest easy in Heaven my friend, I'll honor your memory till I will see you again amongst the heavens.
