“ *"Mrs. Meyers" as she was so fondly referred to over the years during her teaching career. I would see her in the community or Alumni banquet and she would say please call me Coleen" but, that was hard for me as I had the utmost respect for her. She was a favorite teacher for me for many reasons. As I got older and realized how she wasn't only a teacher, a guidance counselor and mentor. My thoughts and prayers are with her family. She was a terrific lady!*

*Mike, family and friends (who were many)
I am very saddened by Colleen's passing. We attended high school together and I remember her serving as one of our class officers. She was so polite, gracious, soft-spoken and so bright. I always enjoyed catching up with her at our class reunions. She was a gentle spirit and hope she is now at peace. My deepest condolences to all of those who were fortunate enough to know and love her.*
