“ My sympathy to the family of Randy Duvel. I am so sorry. I remember Randy as a little boy running around Olney. One of my favorite memories is seeing Randy Duvel and Mandy Lawton give bus driver Herman Twellman a big hug as they got off the bus at school. They were about 6, and it was obvious that Herman loved those little ones and made a difference in their lives, and they certainly loved him. I've shared this memory with Herman many times, and he treasures those early, simple, sweet happenings. Cherish your good memories of Randy. Again, my deepest condolences.
