“ The world has lost a very special human...Curt was always (as the song goes) Humble and Kind with a sense of humor . We have so many fond memories of the years He and Peggy lived in our Rockland neighborhood . All of The St. Bridget's dancesand the time we had a party to send them off to MO...we decorated the church hall in a farm theme and those farm decorations were packed up and brought to Bowling Green. Even though Sister Mary Lewis wanted to keep them for an upcoming dance....Curt was not having any part of that option.....

There was a time Curt was stung by a bee and Bob drove off to much need attention.....but ...WIHTOUT.....Curtas he was sitting on the sidewalk calling out ...hey BOB how about you take me with you...

Curt leaves a legacy of kindness and courageous positive outlook on life...

With our deepest sympathy to Peggy, Curt Jr and Louise

We send Love and Thanks for being part of our lives....
