

Dan Harty

April 8, 1955 - March 26, 2023

Dan Harty has now found eternal peace and joy. His soul left this world on March 26, 2023, while lovingly surrounded by his children.

Dan was born on April 8, 1955 to Bob Harty and Rose (Maloney) Harty in Marion, Ohio. He married Karen Piper and together they built a beautiful family and made a lifetime of memories. Dan's dream was to own land in the country, and he worked hard for his slice of heaven on Earth. He lived his life enjoying the wonders that God gifted daily, watching the changes in the sunsets, listening to the trees blow in the wind, and soaking up nature with a grateful heart.

Dan was an active member of Ironworkers Local 396 and took immense pride in the buildings he built around the world. He was passionate about participating in charitable events like the annual toy and food drives.

Dan is reunited with his wife, Karen, for an eternity of happiness. He will be forever remembered by his children Ryan (Brandy) Hoffman, Carissa Lovelace, Danielle (Davey) Robinson; grandchildren Aiden, Alyson, Rocco, Cash, Lola, Beck, Liam, Owen, and Myles; brother Tom (Ann) Harty, brother-in-law Gary Piper, sisters-in-law Barb (Mike) Knipshild and Patrice Piper, Jason and Michael Reckamp, and many nieces, nephews, cousins, and life-long friends.

A memorial celebration will be held on Friday, March 31, 2023 from 4:00-8:00 at Bibb-Veach Funeral Home & Crematory in Bowling Green, Missouri.

In lieu of flowers, please donate to the Ironworkers Local 396 toy drive or food drive.

“ I can remember Dan and Karen coming over to our 4th of July parties when I was fairly young. They were always great company and friends to our family. I always enjoyed listening to my dad and Dan share Ironwork stories. It's hard to believe that Dan and Karen are gone. I'm truly sorry and shocked at the news of Dan's passing.

“ *This is a story that always made Dan smile!
Years ago Dan told me he drove a Chevy Blazer, into "Red-Square".
He was working for a world wide construction contractor, and he
was
working in Moscow. He did not know, that it almost caused an
'International
Incident' !! Those were the Days.*
