“ Dan was a generous man. When his son Sam and I were just married we needed a truck for the telephone installation business we were learning. However, we didn't have the credit needed for a loan. Despite not having a lot of "extra" himself, Dan purchased a vehicle for us and allowed us to pay him back monthly. We really appreciated this help! I will always remember his kindness and the way he helped his kids in this and so many other situations. May he rest in peace.

“ Dan is/was my cousin. Our seventh grade at Duff School was an enjoyable year. We went to a School which was very small. Dan would stop by the house every morning and we would ride our bikes to school. He never forgot to say did you drink your milk knowing that was a must with my Mom. I have many good memories of Dan and my best friend Sally. He will be missed. Art and Thelma Niebur
