“ Dareyl always had a smile on his face and a joke to tell to make you laugh. I worked with him for the last 3 years at 3M and he made every day fun! He parked next to my van every day! He always took the time to ask me how I was and encourage me in whatever my hopes and dreams were. Dareyl and Jane were the first people to greet my family and I at destiny pointe and it became a great joy to see them at church every single Sunday with their beautiful smiles and their wonderful hugs. Jane, I love you and Heaven to pieces and I know Jesus has you wrapped in His arms in this difficult time. I know Dareyl is happy in the loving arms of Jesus. He will be so missed, there will always be a huge void at work without him that no one will ever be able to fill. I know he will be with us in spirit. Love you Dareyl, you and Jane mean so much to me and my family and you will be forever missed by so many. Sending love and hugs to Jane and Heaven.
