“ *We have special memories of Darline and Harold, since were are "old" friends and neighbors of Bev and Roger. I fondly remember Darline's delicious baked goods. I know it's been a struggle for the family in recent years, seeing your loved ones age and doing everything in your power to make them feel comfortable and secure. Darline and Harold are now at peace and together for eternity. We send our most sincere sympathy to Bev & Roger, Sandra & Jerry, and all the family. God bless you during this difficult time.*

“ *So sorry to learn of Darline's passing. May your hearts be filled with all the wonderful memories she has given you. There wasn't a Green Reunion meal that didn't have one of her special dishes, we all looked forward to enjoying. Please accept my deepest sympathy and I am sorry I will not be able to make the trip to Bowling Green at this time.
May God bless, and know you are in my prayers. Cousin Becky*
