“ *Hello to his family. Sorry for your loss. I considered David a good friend. I've helped him around his houses and cattle farm here in frankford. I grew up not farm from his cattle farm and I remember him and his mom hauling hay to his moms cattle with the blue ford pickup. The passes 7yrs I have helped take care of his cattle. We would talk about all types of vitamins and minerals. He loved picking Mushrooms as well. Taling pics of his trees and shrubs he planted 15-20yrs ago around his house in frankford. He will be missed. I posted some pics of his beautiful cattle that he cherished and me and my dad enjoyed taking care of for him.*
