She was an wonderful person and an excellent employee who was also fun to be with and work with. I missed her when she left as an employee but more so as a friend. “ I'm so grateful to have had Diane in my life as well as in the lives my children. She was so welcoming and always seemed to have a smile on her face no matter the situation. (if you know my dad George you know what I mean)

Diane's two step-grandchildren/Godchildren Jeffrey Jr. & Gabriela Moravec looked forward to spending Easter brunch with Grandma as that was always their special day to celebrate their baptism remembrance with her. She will also be deeply missed by me (Jeff) & Sylvia Moravec.

“ Diane was a mom to so many of us; some who had lost their moms and others like me that lived away from my mom and needed advice sometimes. She was fun to hang out with which I did as much as I could when I lived near. She loved all her children, grandchildren, great grandchildren and life itself. What a great lady and I am the lucky one who got to call her friend and Momma Diane. Will miss you.

I met Diane briefly, thru my daughter. Jenna spoke highly of Diane. She often came home from work and would tell me she had talked to Diane and how sweet she was. This lady made Jenna smile, every time they met. My heart and prayers for you Diane, thank you for making Jenna smile.

“ *My favorite memory of Diane is when we had a daycare at our church and every day when I went to make lunch she would be there cleaning and we got to really visit with each other!*
