“ Sending my heartfelt condolences to Don's family. Don became one of my favorite classmates one day when Mrs. Motley sat me next to him to do some sort of work together. It was a good day. I know he will be missed.

*Kathleen, Donni, and family-- I have such fond memories of Don. He was always so gracious and helpful to me and Catie through our years on the farm. My fondest memory was not too long after I moved to the farm. We were tearing down an old house to move in a trailer and there was a huge bee hive in the studs of the old house. Don wanted that honey so he convinced David, Jim and Ed to help him get it. He decided the best time to get it was at night because he had been told bees don't sting at night. He brought his dad's old smoker over and the boys went in after the honey. We got a lot of honey but they all found out bees really do sting at night!! Your families are in my thoughts. I am very saddened by Don's passing.*
