“ Bill, Tanner and family, so sorry to hear about my Uncle Jack's passing. Eolia will not be the same. I could always find my Uncle Jack sitting on the porch; he always had something to offer to you. Rarely did I leave empty handed. I will miss his VA stories; boy how he made me laugh. He's home now with Wendell and I'm sure he's providing a lot of entertainment. Rest in peace Uncle Jack; your pain and suffering is over. Mom and I love you and we will miss you!

“ I'm so sorry for your loss.I was raised in Eolia and everyone knew Jack. He was a good man that would help you in any way he could. He was good friends with my step Dad Phillip Luckett, they would sit and talk for hours. I thought the world of Wendel as well. God Bless you in your time of sorrow.

It's with a sad heart that I'm sending my condolences to Bill and the family. My cousin Jack was special. Even though I hadn't seen him for years, I have good memories of him when I was younger. When I was 3 or 4 years old, Jack and Tom used to babysit me sometimes. I loved them. They were so much fun. I must have been worrisome because they always tried to get me to take a nap. I wouldn't go to sleep until they promised to be there when I woke up. Of course, they were NEVER there when I woke up, but they always drew an ugly picture of me and left it on my pillow. Also, I remember helping my mother (Colie) and Aunt Gladys (Sukie) package goodies to send to Jack and Tom when they were in Korea. I used to love going to Aunt Lelia's house to look at their scrapbooks of photos taken while they were in Korea. I don't remember how old I was, but Jack had a motorcycle and would sometimes take me for a ride when he was in Troy. I wish that I had been more faithful in keeping in touch. I will miss him. I will be praying for all of you that God will strengthen and sustain you during this difficult time. Love you all. Judi Sydnor-Norris
