“ *Been remembering dancing in your living room to Dwayne Eddie...using hairbrushes and lipsinking to the Supremes on your front porch! The Tarzan swing...the big oak tree we wanted to make a tree house in! Playing football with the boys in the big field. We always told everyone we are true blood sisters cuz we took a needle and pricked our fingers till they bled and then touched our fingers together! So many good memories. Wish we could have made our Graceland trip this summer...but someday when I get there I know you will be right by side! Missing you so much but thankful for our long talk on Monday! We will be dancing and listening to Elvis together again until then my sister "Fly With the Angels"!*
