“ *Evelynn was a funny, caring and exceptional lady. No matter her condition or events in her life, she always took time for everyone else and to help others with a smile.*

I knew Evelynn for 33 years and she was just like my own family. She was also a very dear friend to my mother, Claudette, and my late sister, Laura. There will never be anyone to replace such a lady. We picked morels, fished, drove to Taco Bell (Wentzville) just because Tommy wanted tacos-lol, made thousands of cookies over the years and spent many summer days in her pool . She always stayed optimistic and never let anything stop her from enjoying life to the fullest. Evelyn she gave 100% of herself to others and to the local communities as her health would allow.

May she rest in eternal peace.

I know Evelynn will be watching over all of us.

Sending sincerest condolences to her family, during this time and for always.
