“ Becky was a special person with amazing healing skills.
Unfortunately, the obituary did not mention Larry. They were a great
team and so excited to have Isaac. They also had many plans that
were cut short by his untimely death. They are, however, reunited
now in heaven for eternity. May they rest in peace.

She and her husband were wonderful people of God who helped me when drs said I had only months to live. Their prayers surely helped me attain remission from cancer. I am sorry to hear of their passing. I know they are together in heaven.

“ My mother was the most kind hearted loving individual on this earth. Nobody will ever be able to take her place, she wasn't just a mother either. She was a healer and took so much pride in making people feel better. Her presence was always filling the room with joy and happiness. She loved people and never could see bad in anybody. She always loved to help everyone. She will be missed ❤️❤️

I had known Dr. Young for about 40 years. She was a wonderful doctor and friend! I am sorry I could not be at the visitation and funeral. May God comfort your hearts Ashley and Issac. I remember how excited she was when you both were added to the family.
