“ Dad,
I'll always remember how you loved to scare the hell out of me in the boat on the river. How my kite ran out string and you put it on my fishing pole, that was great until the pole ran out of line (you still owe me a kite). I'll never ever forget you throwing away a chain letter you had gotten in the mail. I stayed up all night trying to write those letters out so I wouldnt lose you.
I truly am going to regret the times I could have spent more time with.
Forever and always you were the best dad on earth. I love you so much and will miss you until we meet again.
Oh, I can't forget how when I was little, I thought you looked like Johnny Cash.
