“ *I first met Fred in 1963. I was in the Navy and in love with his Sister. I'm out of the Navy but still in love with that girl. . Fred was my Brother-in-Law, my friend and mentor. He had a huge family and everyone loved him. I actually never heard him say anything bad about someone. He was that kind of guy. Fred seemed to know every gravel road out here and even who lived on those roads. He never turned anyone away that needed help or advice. I doubt that i will ever know anyone as special as Fred Stout. We're going to miss Fred until we meet again..*
