“ It was truly an honor to have been one of Gary's nurses. He will always have a special place in my heart. I have never seen anybody fight as hard as this man did.

*Sincerely,
Jessica Cunningham*

Thank you so much for everything you did for him. Mentally, physically, spiritually and emotionally. The caring and love you all showed for him was his greatest motivation for fighting. Dad told me about each and every one of you at Pike County Home Health and he was impressed by your level of knowledge and compassion. Thank you for being there for my family when it was needed most.

*Love & Prayers,
Marcy Heffner*
