“ I worked with Gloria at Pike County Hospital. She was a great joy to work with, talk with and a valuable and loyal friend. She always had time for you and whatever job she had was 'a job well done'. Her job on earth has ended. She has earned her crown in Heaven and will join a host of Christian friends and family.

“ *I have so many memories of that beautiful lady, there's not enough paper here to state it all. We loved each other like sisters. I pray the family can stick without their glue. I'm always here for all if you need me. I'm going to miss her all the rest of my life, that big smile and 64 years of secrets. I'm going to be lost for a while, but I know she's gone to a pain free place and singing a brand new song in the Heavenly Choir.*

With Love from your BFF and my whole family.
