“ *When I met Helen Sue she had moved in Lynn's Heritage House. I did activities with her she was very special. She loved her home and wanted to go visit quite often because she had a lot of wonderful memories. She loved to drive her car. She enjoyed getting mail. Birthdays is when most residents get mail so that is the special day. I loved Helen Sue she was a very strong determined person. I can say I love her and will miss her.*
