“ All of you Twellmans are in my thoughts and prayers. Herman was a truly special man and everyone who met him knew they had met an amazing man. I've looked up to him and admired him from the first time I met him when I began teaching at Silex. One of the many things that makes me smile when thinking about him is how long it took me to get him to quit calling me "Miss Barton" and to call me Angie.....I had to keep threatening to start calling him Mr. Twellman in return:)

“ *I found a little kitten in the parking lot at school my senior year. I smuggled it on to the school bus and tried to keep Mr. Twellman from knowing I had the kitten. As I was getting off the bus, he said, "You take really good care of that kitty now, Eileen." and smiled at me. Such a kind and giving man. I know he will be missed.*
