Visitation will be held from 3:00pm until 7:00pm on Sunday at the Bibb-Veach Funeral Home in Bowling Green.

Memorials may be made to the VFW Post #5553 of Bowling Green or the Pike County War Memorial.

James R. "Bob" Kirkpatrick, 76, passed away on Thursday, October 5th, 2023, at his home. His devotion to family and helping others will always be remembered, and ultimately gave him peace.

Bob was born to the late Sterling and Freda (Kelley) Kirkpatrick on December 15th, 1946 in Cape Girardeau, MO. While in school, Bob worked summers from 1960-1964 on the Painton Plantation in Painton, MO. He also worked construction for Brown Construction in Dexter, MO from 1965-1968. After high school, Bob attended the former Southwest Missouri State University in

Springfield, MO and received his Bachelor's Degree in History Education. He went on to teach history in Buffalo, MO from 1968-1969 before being drafted to Vietnam. From 1969-1971, Bob was an Infantry Platoon Sergeant for the United States Army. After returning home from combat, he resumed teaching history and coached basketball at Advance High School in Advance, MO.

In 1975, Bob and his family moved north to Bowling Green where he took a position coaching and teaching physical education. The next year, he continued coaching but moved into the guidance counselor role after successfully obtaining his Master's Degree in Guidance and Counseling from Truman State University in Kirksville, MO. In 1978, Bob advanced his career again becoming the Principal of the former Bowling Green Junior High School while also earning his Specialists Degree in Education Administration (Superintendency), which he completed in 1985. He would go on to be named the superintendent of Bowling Green Schools this same year, following the death of Murry S Smith.

Bob held the superintendent role for 5 years before moving into adult education, becoming the Tech Prep Coordinator, later the Director of Pike-Lincoln Technical Center in Eolia, MO in 1990. He remained in this role until his retirement from education in 2001. Acting on his desire to remain a positive influence for the community, Bob successfully ran and was elected as Pike County Clerk, which he held from 2002-2012.

After his tenure as county clerk, Bob returned to his passion for education and the development of today's youth, and was elected to the Board of Education, where he remained until his passing.

When Bob wasn't devoting time to his career passions, you could always find him playing basketball, fishing, hunting, or spending time traveling with family in their motorhome.

Bob is survived by his wife of 31 years, Diane, and his brother, Daryl (Nellie) Kirkpatrick. Also surviving are his children: Alana (Dean) Mesenbrink, John Kirkpatrick, Sarah Mitalovich (Andrew Sambuceto), Cody (Lara) Mitalovich, and Adam (Erica) Mitalovich. Grandchildren: Maura Mesenbrink, Kayla Mesenbrink, Dustin Kirkpatrick, Andrew Kirkpatrick, Hailey Kirkpatrick, Bradley Sambuceto, Sage Mitalovich, Noah Mitalovich. He is also survived by a host of beloved family and friends.

“Courage is the strength to do the tough thing well for the right reasons in the right way.” ~ Bob Kirkpatrick

You will be missed.

“ My condolences to the family. I am sure Bob will be missed greatly by his family. I first met Bob when I was coaching at Clopton and Bob came to Bowling Green. We coach against each other for several years. But I really got to know him one summer at Kirksville, Bob and I and several EMO guys hung out together that summer. I was there when he had a incident on his bike. We became friends that summer. I always found Bob to be a gentleman and a very thoughtful person. I really had a lot of respect for him. We met again when we both had retired and were coaching Middle school basketball. Bob has left a great legacy.

“ Bob and I grew up together in Advance, Mo. He was a grade ahead of me in school, but we took similar paths through life. We played together as we grew up. Our dads owned stores less than a block apart in Advance. We rode bicycles together playing cops and robbers. We played basketball and baseball together before and during high school. We both were drafted in 1969. We were in Vietnam at the same time, even though our paths never crossed during service. We were like brothers. Bob and I both became teachers, we both became administrators, we both served on boards of education. I lost track of Bob over the years until Dennis Griffith, a mutual friend, found out Bob and I were both from Advance. After that Dennis made up stories about us (only a couple were true). It had been over 56 years since I had seen Bob until Matt Frederickson, (Bowling Green's current Superintendent, and former student of mine from our days in Sullivan), set up a lunch for Bob and me and Matt about 1 1/2 years ago in Bowling green. A truly remarkable afternoon was enjoyed by all three of us. We promised to get together again. Unfortunately, we were never able to. Bob, (Advance class of 1964), dear friend, rest in peace. Keith Kinder (Advance class of 1965).
