“ *Mary, We just learned of Kevin's passing this week. We are sad that we didn't know so we could show our respect to him by attending his funeral. We both worked with Kevin at the Ralls Co. Sheriff's Dept. and we were honored to work beside him. He was a good man and a friend. We ran into him every now and then here at New London. Our prayers go out to you and the kids. We are sure you miss him and that crooked smile and his sense of humor. Sincerely, Gary & Brenda Grubb*

“ I served with James many years ago when he first came to the Missouri Guard. I have never met a more hard working and respectful soldier. No task was too big or too small. Thank you for the many kind words and support over the years my friend.

“ Dear Mary and Family,

I'm so sorry for your loss. Kevin was a good man with a big heart who loved his family, friends and country. I have a sweet memory of him outside Grandma McClintock's house throwing a ball with his (then) little son Michael. When I saw him last at Ariel Christian Church, Kevin was moving more slowly, but his spirit was strong. How he must have been looking forward to holding his granddaughter Addison! I know that you will tell Addison his best stories, and show her his picture and his folded flag, so that she can be as proud of him as you are. You are all in my thoughts and prayers.

With deepest sympathy,

“ My deepest condolences to the family. I was lucky enough to be SGT Tarpein’s Company Commander during our little trip to Kosovo. I always called him the “Magical Mechanical Man” because he walked like a robot with bad hydraulics! Biggest heart of ANY Soldier I’ve ever served with – sincerity, honesty, and true caregiving were dished out by him on a daily basis. I can’t tell you how many times he and I sat alone in the HQ, late at night, BS’ing about family, airplanes, fishing, Army stories, childhood stories, and our favorite topic..... stupid people! The Army says we all can be replaced.....just not true with Ole Tarpein. He will be greatly missed!

“ I can't even explain the relationship that I had. I can remember him challenging me as a female and never letting anyone treat me differently. He came off as so tough but I knew he had a heart of gold. Through the years we challenged each other. I will never forget the moment he took an axe to something to prove a point. Poor CPT Crowder had to deal with that! But even as he refused promotions and then later when retired and refused a ceremony we all stood together and had his family there as he was recognized for his service. He was like a second father for many of us coming in. He has a beautiful family and he always was so proud of them. My prayers are with you all in this time of healing. He was a great man who touched so very many lives.

“ I came to Kevin at the donut shop in Louisiana, Mo. Through the years I got to know Kevin very well. We became friends and buddies. I would love to listen to his stories and his "tall tales". But I loved every moment, I also became friends with Mary and my heart goes out to you Mary. He would give me support when I needed it. He told me I could always call if I needed someone to talk to. Kevin had a heart of gold and a soul to go with it. Kevin I hope your riding your horse in heaven. You are at peace now and no longer hurting. I love you my friend and I will try not to cry. As you ask me not to cry over you but to be happy. Fly high my dear friend fly high. Pete and Cheryle Wharton
