“ *Jo Ann was an awesome person and friend! Best friends for over 50 years. Loved life and loved to have fun. I have so many memories of her that we shared together when ever we talked! Fun times always. She loved Harley motorcycles and even drove one at times! Loved her daughter Tiffany more than anything. She will be missed.*

I haven't seen JoAnn in several years, but her spirit is fresh in my mind. JoAnn is my sister-in-law from a previous marriage and I always felt welcomed and loved by her. She had a most generous spirit, and knew no stranger. May you rest now in His Eternal Peace, JoAnn and I will be joining with you one day as well. The Hand of Jesus you held onto in this life is now holding you in His arms! Giving all thanks and Praise to God, as you are welcomed into your home.
