

## Joe Lee McPike

March 21, 1956 - November 8, 2022

Joe Lee McPike, 66, of Clarksville, Missouri, passed away on November 8th, 2022, in Louisiana, Missouri.

He was born March 21st, 1956, in Louisiana, Missouri, the son of Howard Lewis and Mammie McPike Scott.

Joe was raised in Clarksville, Missouri by his grandparents, Susie and Joe Hammers. He attended Clopton High School, where he was a valued athlete. He played on the basketball and baseball teams.

Joe Lee continued his love for baseball even after school. A man of his stature would amaze people with his hitting and running abilities; but his main love was driving any type of truck. If you ever needed a truck driver you could count on Joe Lee. In his later life you would see him around town; Joe Lee was a wanderer, known for his big smile and the joy he would bring to others.

Joe is survived by his children, Nathaniel L. McPike, Corey N. Busch, and Brittany Davis; one sister, Patricia Ervin "Peachy"; and one brother, Lynn E. Scott. He is also survived by a host of nieces, nephews, and cousins.

He was preceded in death by grandparents, Joe and Susie Hammers; father, Howard Lewis; mother, Mamie McPike Scott; two sisters, "Cookie" Ada Hill and Marilyn Marshall; and two brothers, Leroy McPike and Jason Scott.

Joe Lee will be sadly missed by everyone that knew him.

“ *Joe was a sweetheart, when I worked late shifts at Wal-mart he would always insist on walking me to my truck. We spent time discussing current events in Wentzville and just chatting about nothing at all. He will be missed, but we were all blessed to know him!*

“ *Joe was always so kind and treated everyone with kindness. My son is on the spectrum and was always drawn to him. When he was little he would go hug Joe and said he's my friend mom. I am sure he is walking those streets of gold with his beautiful smile.*

“ When Joe was in Junior high school and high school I coached him in Khory League baseball he was a pure hitter. I spent hours throwing him curve balls with a whiffle ball to teach him to watch the ball. I was a few years older but was a great friend.

“ I work in Wentzville and I would see Joe at Walmart and the last time I saw him was on the wall sitting by QT and Steak and Shake. When walking into Walmart I always stopped and talked to him, and later I would turn my car around and stop and talk to Joe! He gave great hugs and had a beautiful smile! He will be missed  
💔 Prayers and hugs to his family and friends 💔

“ My kids grew up looking for Joe in Wentzville and sitting next to him on the bench in Wal Mart where he'd offer to share his snacks. Joe was a kind soul and always said "God Bless You" to us when we'd be on our way. He always brought a smile and kindness to Wentzville. He will be missed.

“ Met Joe when he was in Wentzville. He always had a smile that could change a bad day into a good one. People always talk of angels here with us, well I truly believe that he was. He taught us all how to love unconditionally and showed our children and alot of us what it is to give goodness and expect nothing in return. I will miss him, his smile, and those wonderful hugs. Prayers to the family for peace and comfort.

I was always glad to see Joey especially in high school when we played basket ball against Clopton. 2 brothers battling it out we also had a couple of cousins on Bowling Green. But watching Joey and Leroy. It was spectacular. He will be missed.
