“ Although I hadn't talked to Mark in a while I can still see that huge smile he had. Mark was truly one of the kindest, sweetest people I've known. Back when phones had wires to them it was long distance for some of the surrounding towns from Clarksville but not Paynesville. During breaks from school Mark and Rick Running would call me and we would laugh and watch the same cartoons and do commentary on them. Silly but now a cherished memory as they are together now in heaven. Rest my friend and say hi to everyone from our class that was waiting there for you. Til we meet again someday. My sincerest condolences to Marks family and friends. I know he is missed.

“ We have known Mark for over two decades. His friendship was cherished not only by my husband I but buy our children as well. Im sure gonna miss calling and checking on him or him calling to check on us or ask where Pat is. We were looking forward to spring so he could come out and see the new house. When we were getting the grounds ready and building the pump house Pat and Mark talked nearly daily, just checking to see how things were coming along. I will never be able to make a batch of my pork n beans without hearing you say... ohhhh. Yeah!!! You loved those bean's... MARKY MARK we will miss you! Save us a place in heaven. Love you!
