I knew Joe from school as a classmate. I was so surprised to hear that he was from Hazelwood and attended the school at St Martin de Porres. My Aunt lived in Hazelwood and attended that very Church. I'll bet that we crossed paths when younger and didn't even know it. So weird that we both ended up in Bowling Green. I remember Joe singing the trucking song one year in HS, it what I remember a lot when I think about him. He was always so kind to me. He will be missed.

Joe was quite a guy. He always had a smile and a story to share. We were friends and attended High school together. I most recently remember visiting with him when he would bring his daughter to the VFW Youth Dances. He was a committed Father and Husband. No doubt, there is a special place in heaven for Joe. He will be missed and the memory of him will be cherished. God Bless.

“ Joe was a valued Friend. Two weeks ago my sisters and I were having a burger at the B & B. Joe came in, grabbed a chair turned it around and looked at me and said, "Ms. Jude what are we going to do with our Country?". He was so concerned. I just loved the young man. His sincere love for our Country was absolute. I am thankful for Joe Collins.

“ My condolences to Joe's family. I was a colleague of Joe's at MoDOT in a different department, so I did not work with him daily, but on several occasions throughout the years I would run into him and enjoyed talking with Joe. When I was a new employee, Joe was one of the first maintenance workers at MoDOT that I got to know. He always had a good story to tell. Again my condolences.
