“ Our thoughts and prayers are with you during this sad time. Joy was a dear friend and we shared many fun times during my many trips to Bowling Green. When I told my daughter that she had died we both said at the same time "we will always remember her wonderful smile and a laugh that just made you happy". She will be truly missed.

“ My sincere sympathy to Robyn, Todd and Nick. Although I didn't see your mother often after she moved from Bowling Green, I have fun and fond memories of our time together as young mothers. I remember in high school it was always Joy, Connie and Frances and playing clarinet in the band. We had such fun times together going to basketball games and tournaments, staying so late at Heir Study Club meetings and talking on the phone for hours..Gee what great times! Her infectious smile and laughter will always be remembered.

Sincerely,

“ Our thoughts and prayers are with you during this difficult time.

I will always remember her bright smile and quick wit. I have such vivid memories of the lively interaction between her and my Dad, especially at Niemeyer Christmas. They both loved the challenge of trying to have the "last word". Not sure either one of them succeeded but it was not for lack of trying. Her name fit her well - she was a real Joy.

“ May God comfort you in your time of sorrow. I was so blessed to have known Joy. We got to know her when we lived close for a time. She was a great friend and such fun. My life is better because I got to spend time with her.

“ Joy was an amazing woman! She was a dear friend to many, including my mom. I have so many memories of them laughing so hard they would both start snorting. They had so many great stories over the years that I'm sure took on a life of their own! She was a second mom to me ... Always debating her political views, thoughts on the Cardinals and where to buy my furniture. She will be greatly missed. I feel blessed to have known her. ❤️
