“ Judy will be greatly missed. She had a bigger than life personality! Judy not only was a family friend but a wonderful friend and colleague at BGMS. Just was very supportive of me when I first started at BG School District. She was definitely an inspiration. I was unable to make the visitation and funeral, however, she has been in my thoughts. My sympathies and prayers for Lem and the family.

“ Such a "larger than life" woman! Just a short story: I was a substitute teacher in the elementary building for many years. I noticed one day that high school students were in the hall. They stepped in her doorway and said "we want to say Hi. We loved having you for our teacher." This happened many times and with various students. She was a special teacher that made a lasting impression on her students.

“ I remember the last time I chatted w/Judy. It was in the waiting room at PCMH clinic in BG. She made Alan & I smile all the while we talked about all her daughter's illness & she asked about all my medical issues & seemed so very interested in what all I had been through. Mostly I remember how she made me feel. Always so warm & caring, but she also had a funny bone that could light up the room & make all our problems kind of melt away. Loved this women. Our deepest sympathy to the family.
