“ Julia was the best. She'd do anything she could for her loved ones and friends. Her smile and laugh was infectious and if you were her friend it was loyalty all the way. I'm truly grateful that I was one of her besties. We had plenty of good times and laughs. All who loved her will miss her but she will always be in my heart. Love always girlfriend. Prayers to John and Leslie, Fancy and rest of the girls, and grt grand children. She loved her babies. God bless.
