“ I’ve known Karen for years as the coordinator for eye care we provide at the facility where she worked. She was an amazing, compassionate, kind woman who cared for all and was always eager to help. I am so saddened by her passing. There is a little less light in the world with her gone. My thoughts and prayers to her family.

“ Condolences to all the family of Karen, I work with a company called Mobile Eye Care which went to her place of employment and have known her through that for over 11 years and I always thought she was one of the most amazing women I have come across. She was always a pleasure to speak to which is why I had to share this because she is worth her weight in gold and is a dime a dozen. Love ya Karen
