HE

“ *Kim was a good friend, always ready to give out "HUGS" when we were together. What love she shared. She was a Church member that was always ready to help with whatever needed to be done, and always ready to attend another Church service with me any time I called. I'm going to miss my buddie. Heaven's door is open and waiting with a "HUG" for her. Love from Ernestine and Howard Grimmett.*
